A screenshot of the Django administration interface. The title bar says 'Django administration' and 'Select flan to change | Django s...'. The user 'MARIA' is logged in. The left sidebar shows 'AUTHENTICATION AND AUTHORIZATION' with 'Groups' and 'Users' options, and 'WEB' with 'Flans' selected. A success message 'The flan "flan de queso" was added successfully.' is displayed. The main content area is titled 'Select flan to change' and shows a list of flans. One item, 'flan de queso', is checked. Below the list, it says '1 flan'. The taskbar at the bottom shows various application icons.

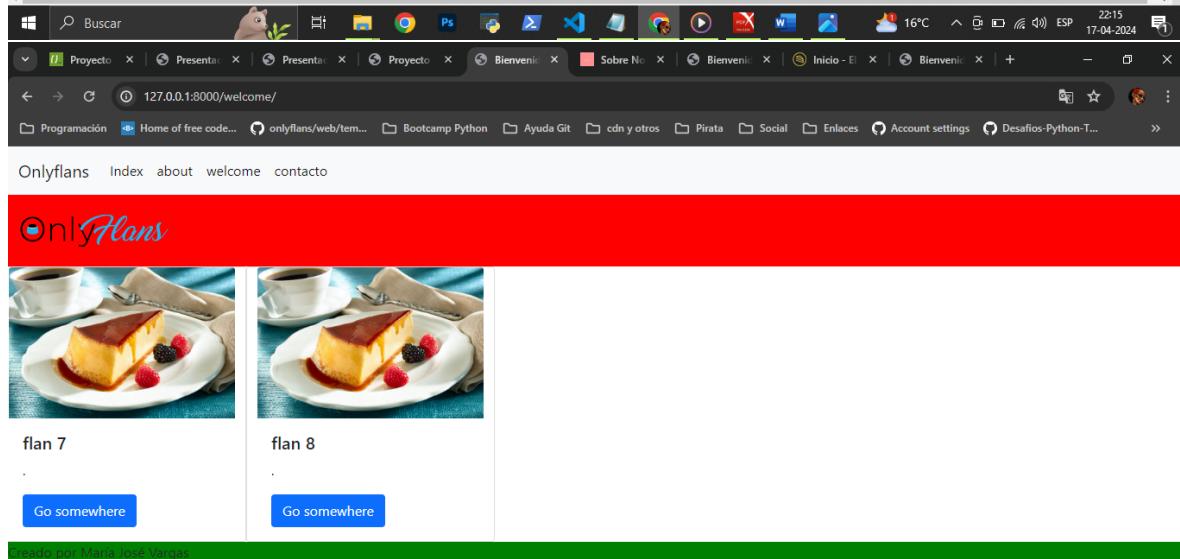

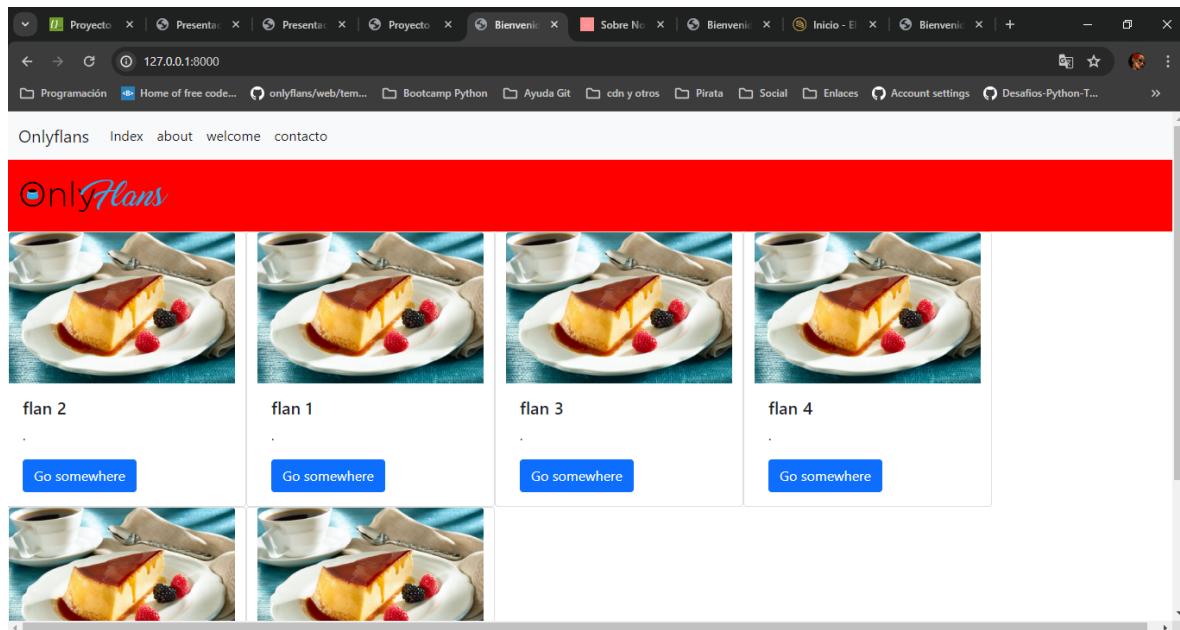

The screenshot shows three stacked browser windows displaying a Django application for managing flans.

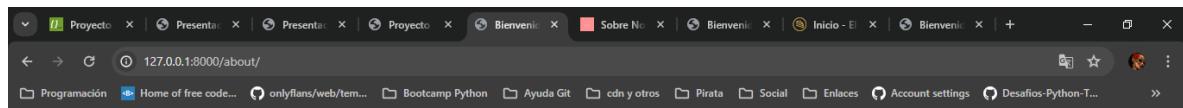

Top Window: Django administration interface. The URL is 127.0.0.1:8000/admin/web/flan/. The sidebar shows "Groups" and "Users" under AUTHENTICATION AND AUTHORIZATION, and "Flans" under WEB. A success message at the top says "The flan *flan de durazno* was added successfully." Below it is a list titled "Select flan to change" with an "ADD FLAN" button. The list contains eight items: FLAN, flan de durazno, flan de menta, flan de frutilla, flan de mora, flan de frambuesa, flan de manjar, flan de vainilla, and flan de queso. A note below says "8 flans".

Middle Window: A grid view of six flan images. The first four are labeled flan 2, flan 1, flan 3, and flan 4, each with a "Go somewhere" button below it. The last two are labeled flan 5 and flan 6, also with "Go somewhere" buttons. Each image shows a slice of flan with various toppings like berries and caramel sauce.

Bottom Window: A system tray or taskbar showing the date (16-04-2024), time (12:59 and 13:29), weather (19°C and 20°C), and system icons.

The screenshot shows a web browser window with multiple tabs open. The active tab is titled "127.0.0.1:8000/exito/" and displays a red header with the "OnlyFlans" logo. Below the header, a large green banner says "¡Gracias por contactarte con OnlyFlans!". A message below it reads "Te responderemos en breve." A blue button labeled "Volver al Índice" is visible. At the bottom of the page, there is a green footer bar with the text "Gracias por mailer José Vargas".

The screenshot shows a Windows desktop environment. In the center is a code editor window titled "Proyecto Python Django" containing Python code for a Django template. The code defines a form with fields for customer_email, customer_name, and message, and a submit button. On the left, the file structure of the Django project is visible, including files like forms.py, models.py, urls.py, and various HTML templates. At the bottom of the code editor, a terminal window shows the command "python manage.py runserver" being executed, followed by logs indicating the server is running at "http://127.0.0.1:8000". The taskbar at the bottom has several pinned icons, including Microsoft Office applications and developer tools.

Screenshot of the Django administration interface showing the 'Users' list page. The page displays four users: maria, user1, user2, and user3. The 'STAFF STATUS' column indicates that maria is a staff member (green checkmark), while user1, user2, and user3 are not (red X). A 'FILTER' sidebar on the right allows filtering by staff status (All, Yes, No), superuser status (All, Yes, No), and active status (All, Yes, No).

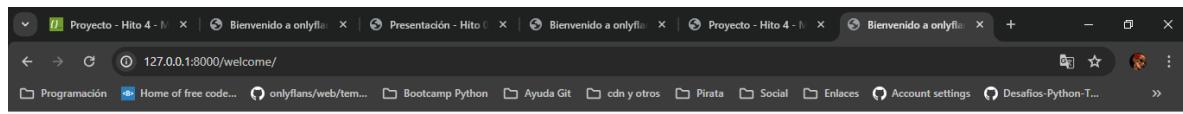

Screenshot of the Onlyflans website. The header shows 'Bienvenido user3'. The main content area features a red banner with the 'Onlyflans' logo. Below the banner, there are four images of flan slices, each labeled 'flan 1', 'flan 2', 'flan 3', and 'flan 4'. Each image has a blue 'Go somewhere' button below it.

Screenshot of a web browser showing a file sharing application interface. The URL in the address bar is 127.0.0.1:8000/welcome/. The page title is "Bienvenido a onlyflans". The top navigation bar includes links for "Programación", "Home of free code...", "onlyflans/web/tem...", "Bootcamp Python", "Ayuda Git", "cdn y otros", "Pirata", "Social", "Enlaces", "Account settings", and "Desafíos-Python-T...". On the right side of the header, there are "Bienvenido maria", "Cerrar sesión", and other user-related options.

The main content area features a red header with the "Onlyflans" logo. Below it, a section titled "Bienvenido:" displays two images of flan slices. The first image is labeled "flan 7" and the second is labeled "flan 8", each with a "Go somewhere" button below it. A green footer bar at the bottom of the page indicates it was "Creado por María José Vargas".

The screenshot is taken from a Windows operating system, as evidenced by the taskbar at the bottom which shows various application icons and the system tray with weather information (28°C) and date (18-04-2024).
